

LONG JUMP OFFICIALS

Volunteers Needed (2)

1 Scorer/Measurer
1 Pit Judge/Measurer

Equipment Needed

1 Measuring Tape
1 Rake – for sandpit
16 stakes with numbers

SCORER

1. Will take names of all contestants.
 2. **Maximum 2 participants per team, per gender, per grade.**
 3. Will check to make sure pit has been raked before calling next jumper.
 4. When pit is raked call "Brown up, Smith on deck, Jones in the hole."
 5. Record distance for of measured jump.
 6. Will allow each jumper 3 jumps.
-
-

SCRATCH JUDGE

1. Will call "scratch" when jumper passes line.
 2. Measure jump to closest point on scratch board.
 3. Announce measurement to scorer to the nearest 1/4 inch.
-
-

PIT JUDGES (2)

Place marker corresponding with the number on the scorer's sheet at the edge of the pit in line with the mark of the jumper's body nearest the scratch board.

Will rake pit in preparation for the next jumper.

After all 3 jumps are taken – one pit judge will hold the tape at the "zero" mark at the place where each stake is in the pit calling out the number on the stake.

NOTE: Please Rake the pit towards the track and not towards the field!!!
Thanks!!!

NOTE: During practice meets, jumpers will have 3 jumps or less if not having completed the three prior to the next group being called.
