

Archbishop Murphy MS Summer VB Camp 2011

The coaching Staff at Archbishop Murphy would like to take the opportunity to teach you about the love and fun of the game of Volleyball

We are celebrating our 3rd Year of teaching the Art of Volleyball to the future of our Sport

The Archbishop Murphy Program has a great tradition of:

- **Strong Conference Play (Co-Conference Champs 2009/2nd place 2010)**
- **Strong District Showing (2009 District Champs/4th Districts 2010)**
- **Team Core Values (Belief, Strength in Unity, Encouragement)**

We want to pass along this experience to our Young Campers (**Boys/Girls- 5th – 7th**)

Along with the Coaching Staff the young campers will get to interact with Current/Graduate Volleyball players from Archbishop Murphy VB Program

We hope to get the opportunity to promote our love and dedication of our great sport of Volleyball to you as a potential Camper

Sincerely,

Jeff Curtis
