"I learned more about the Catholic Faith and how it can be fun"

"I was surrounded by positive religious influences that I don't get at home"

Summer camp is more than just eating s'mores, swimming in the pool, and exploring the woods.

Camp is about transforming lives through programs rooted in Catholic tradition and personal encounters with Jesus Christ. At camp youth are unplugged from technology and are taught the values of slowing down and recognizing God's presence in themselves and everyone around us. Lessons in problem solving, teamwork, and other Christian values are taught through fun hands on games and high adventure activities. We create an environment that fosters the growth of faith through scripture, prayer and sacraments that are age appropriate. So this summer send your youth to camp and be amazed at the growth you'll see in their lives in one short week.

"Camp improved my relationship with God by becoming closer to Him and learning new things about God and the Church."

"I prayed more and went to Adoration for the first time"

"It made me see how important and prominent God is in my life"

"Camp taught me to use the bible to pray"

"It helped me with my understanding of mass"

"The power at work within us," (Ephesians 3:20)

Our theme this summer is all about the power at work within us through the gifts and graces that God has given us. We'll explore how everyone was created with unique talents and strengths and graces received through the sacramental life. Our high school campers will dive deeper into this topic with the help of Strength Finders.
